

# OUT LOUD

## A Contemporary Art Workshop Series For LGBTQIA+ Youth

2020

Through explorations in contemporary art and a museum exhibition featuring their artwork, participants build their capacity for self-expression and cultivate a sense of agency as valuable contributors to society.

The program promotes a safe space for interactions with peers, mentors, and the greater community, and helps participants forge relationships with other youth to create a community of understanding and support for each other.

**Express**  
who you are  
and **push**  
the  
boundaries  
of who you  
can be in  
this world!

Apply  
to

Open to students in  
grades 9 - 12

Application deadline:  
January 13
